

Please read and sign this form.

This usability study will be conducted on weather.com (“the Site”) with all questionnaires and instructions drafted by Melissa Anthony, Blake Denton, Sarah Probst, and Christine Schultz-Richert (“the Researchers”).

During this usability test I agree to participate in an online session using my computer. During the session I will be interviewed about the Site, asked to find information or complete tasks using the Site, and asked to complete online questionnaires about the experience.

I understand and consent to the release and use of my responses by the Researchers. I understand that the information gathered is for research purposes only and that my name will not be appear in the subsequent study findings. I understand my responses may be copied and used by the Researchers without further permission and that I will not receive monetary or other incentives for completing the survey.

I understand that participation is voluntary and I agree to immediately raise any concerns I might have.

If you have any questions after today, please contact Christine Schultz-Richert at ceschultz@crimson.ua.edu.

Please sign below to indicate that you have read and understand the information on this form and that any questions you might have about the session have been answered.
